

## ***Library News!***

Dear Parents,

March 13, 2019

I have been enjoying being in the Library with First and Third graders this year. It is the best of both worlds. Music and reading! Mrs. Bell and I have been doing book talks. We tell students about different series, authors and kinds of books that students may have missed. These talks increase the variety of books students take out. First graders listened to "Afternoon on the Amazon" before they began their unit on the Rainforest. This Magic Tree House mystery book had many Rainforest facts in it.

Seton recently received an order of new books purchased with our Scholastic Dollars. These dollars come from the book fairs. Soon there will 2019 World Record books and Almanacs on the shelves. Many other books were purchased as well. I am sure you will see them coming home!

Our volunteers have been doing a great job helping our students check books in and out. They have also shelved returned books. Thank you so much for sharing your time with us! Thank you to the Fourth graders who alphabetized our "Who Is..." biographies!

Do you like to alphabetize or put numbers in order!

We have noticed that our shelves need some attention. Do you have an hour or two to spare? Please email me at [karen.snyder@dor.org](mailto:karen.snyder@dor.org) and tell us when you are available. We will talk about when you can come and which section you would like to help with.

Have wonderful Spring once it gets here!

Miss Snyder
