

NOTE FROM THE PRINCIPAL

5/22/19

It is hard to believe that we have less than a month left of this school year!

Preschool is winding up for their big finish! They have celebrated their International Dinner and are currently enjoying their newly hatched chicks! First grade celebrated their Mother's Tea and 4th grade went to the Federal Court Building to see for themselves how our court system works. The whole primary level (preschool-grade 2) is in the midst of watching the progression of caterpillars to butterflies and kindergarten through 6th grade are getting ready for field days! There is so much more to do before the end of the year.

While there is still more to do this year, our teachers are beginning to plan for next year. We are looking to bring the 2nd grade model of the homework binder to all grade levels and we are investigating "What I Need" (W.I.N.) time. W.I.N. time would give every student time to work to their own personal best! More about this in the fall.

Time has gone so incredibly fast. I have cherished every day as your principal. I look forward to many more years as your school leader. Thank you for your support over this past year. A special thank you to Mrs. Stafford and Mrs. Johnson. Our school would have been lost without their steady hands to guide us! It seemed that just about every day we encountered a new surprise. They were up for any new challenge that came their way. I would also like to thank our wonderful staff for all of the hard work they have put in. Our teachers and support staff continually go above and beyond whatever I send their way.

USED UNIFORM SALE

Our annual end of the year Used Uniform Sale is again scheduled for the Primary Field Day, June 11th. Our chair people, Ginny and Meg are busy collecting uniforms for the sale. Come in to pick up your uniforms for next year!

As a reminder: the **last school uniform day is Friday June 7!**
