

Reminders from Nurse Anne

Summer is almost here! Thank you for sharing your children with me.

Just a few reminders for the end of school and the start of next year.

1. All **Medication** must be picked up by an adult by June 21st. **No** medication can be sent home in a backpack on the bus.
2. **Physicals** are now required for students entering **PreK** classes, **Kindergarten, 1st, 3rd and 5th** grades.
3. **NO student can be admitted in the school building, the first day of school if they do not have the proper immunizations and a recent physical per New York State Law.**
4. All necessary health forms for physicals and Over the Counter Permission Slips are on the school website. Please remember a Doctor's signature is necessary to make the permission slip valid.
5. **Head Lice** increases in the summer due to sleep overs and overnight camps be vigilant for head itching.
6. The **Zika virus** is still prevalent in NYS, use bug repellent. Mosquitos are most active at twilight and near standing water.
7. **Ticks** are increasing in NYS, check your children and animals especially after camping and hiking.
8. If a head injury of concussion is suffered over the summer please let the Health Office know so if they suffer a head injury during the school year we can be aware of extra precautions.

Have a healthy summer and see you next September !!
