

Dear Seton Catholic School Families,

The Family Ambassador Program is designed to grow the nurturing community that families find in the Diocese of Rochester Catholic Schools. When a current family refers a brand-new family to one of the 18 Rochester Catholic Schools, **both families receive a \$500 tuition credit**. The program is an opportunity for more families to discover the difference of academic excellence in a welcoming, faith-based learning environment.

**Participating in the Family Ambassador Program is easy.** Here’s how it works:

- A current family of a Diocese of Rochester Catholic School refers a new family by completing the referral form at [dorschools.org/ambassador](https://dorschools.org/ambassador) and submitting to your school’s principal. The new family cannot be a former or currently registered family at a Diocese of Rochester Catholic School.
- Both families receive a \$500 tuition credit, which is distributed over the remaining months of the school year. The new family must remain at the school that welcomes them in order to receive the credit. The current family receives credit for a family, not on a per-student-basis.
- Tuition credits cannot exceed a family’s tuition balance. Please note that the tuition credit will cease if the new family withdraws before the entirety of the tuition credit is disbursed.
- The tuition credit will be pro-rated for Pre-K based on the program selected by the new family.

The program applies to students in Pre-K 3 through 8th grade, and referrals are accepted throughout the entire year. To best share information about the Diocese of Rochester Catholic Schools, please encourage families to visit our website at [dorschools.org/ambassador](https://dorschools.org/ambassador). If you have any questions about the Family Ambassador Program, please contact your school of interest or the Department of Catholic Schools at [schools@dor.org](mailto:schools@dor.org).

Sincerely,

Patty Selig  
Principal
